

# Falling for Gravity

## Scavenger Hunt

- Take a photo of you defying gravity
- Create and take photo of a sculpture that defies gravity
- Defy Gravity using magnets and take a photo
- Build a Toy Race Car and a Ramp, then challenge someone to a race
- Find a How to Juggle Video and learn the first steps to juggling
- Create a protective case for an egg and then drop it from different heights – keep that egg safe!
- Jump in a puddle and create a huge splash
- Create a painting that uses gravity to spread the paint – no hands or tools
- Go bird watching and count how many birds you can see
- Observe a flying insect and learn 6 characteristics about it
- Find an item that fell from a tree or plant
- Test out a slinky on a set of stairs, if you don't have a slinky, try making a paper one
- In honour of Isaac Newton – bake an apple pie!

**Good Luck!**
